

Back Garden Bingo!

The aim is to get from one side of the grid to the other, or from the top to the bottom, by finding these things in your garden. You don't have to go in a straight line, it can be wiggly if needed! When you have got a line, shout "bingo".

Have fun!

See a bird flying	Some blue sky	A daisy	Hear the wind	Some litter	A spider
A dock leaf	A fallen leaf	A sign of Spring	Something that has been burnt	A shadow	A snail
A bird in a tree	The sun	A plantain leaf	Something green	A dandelion	Some moss
Something red	A clear blue sky	Some lichen	A cloud	A slug	The moon
A stone	A twig	A tree swaying in the wind	A bit of bark	Hear a bird singing	A cobweb
An insect	A seed	A worm	A feather	Some sand	A tree
