

Bingo Out Your Front Window!

The aim is to get from one side of the grid to the other, or from the top to the bottom, by finding these things in whilst looking out of your front window. You don't have to go in a straight line, it can be wiggly if needed! When you have got a line, shout "bingo".

Have fun!

See a bird flying	Some blue sky	A daisy	Hear the wind	Some litter	Some gravel
An aeroplane	A hill	A sign of Spring	A car driving	A shadow	A TV Aerial
Someone riding a bike	The sun	A reflection in a window	Something green	A dandelion	A lamp post
Something red	A clear blue sky	The wind blowing a tree	A cloud	A helicopter	The moon
A stone	A twig	A tree swaying in the wind	Someone walking	Hear a bird singing	The number 6
A dog	Someone running	The Letter Y	A feather	A satellite dish	A tree
